KBHPS

Keysborough Primary School is moving with the times. We are excited to announce that we are introducing the QkR (pronounced – Quicker) app to make your life easier. This app enables mobile payment for school-based accounts. QkR is being used in many schools in Victoria with feedback from both parents and administration staff being overwhelmingly positive. The app offers mobile payment technology and aims to save parents time.

The QkR app lets parents use their smartphones to order Canteen lunch orders, make Uniform purchases, pay for Essential Education Items, Excursion payments and Fundraising without having to give their children cash to carry to school. In time we will be expanding the items available on QkR for the convenience of parents. For those with out access to a smart phone, you can access QkR online at https://qkr.mastercard.com/store/#/home

Although the app is a MasterCard initiative, it enables payment from most financial institutions and major credit cards with Safe and Secure MasterCard Technology.

QkR is a free app. After registering your email address you need to select our school and follow the prompts. For those living outside a 4km radius from Keysborough Primary School please go to the search bar and enter KBHPS.

The QkR app is now live. The Office will receive a generated report detailing your school payments. Orders will be generated separately for the Canteen and Uniform Shop and will be filled accordingly. Canteen orders close at 9.00am on each Canteen day.

Parents have the option to order their child’s lunch using QkR or the current canteen lunch ordering system.

Should you have any questions regarding the use of the QkR app please contact the Lovely Office Ladies. We hope you enjoy this new flexibility in managing your school payments. Getting started information is attached and available on the KPS website.
