Future Making for Every Student

26 November 2026

'Keysborough Primary School acknowledges that we are on the traditional land of the Bunurong people and pays respect to elders past and present.'

Be Respectful Be Safe Be a Learner

Week 8, Term 4 newsletter

Our School Values

At KPS, we continue to encourage all students to demonstrate our three school values: Be Respectful, Be Safe and Be a Learner. These values guide the way we interact with one another, make positive choices and approach our learning each day.

One of our 'Be Respectful' expectations is *'We care for ourselves and others'*. We can demonstrate this by being kind and inclusive, looking out for one another, using positive words and actions, asking others if they are okay and seeking help when someone needs support. Small acts of kindness can make a big difference in creating a safe, welcoming and supportive school community.

Thank you to our families for supporting us in reinforcing these important expectations at home and at school.

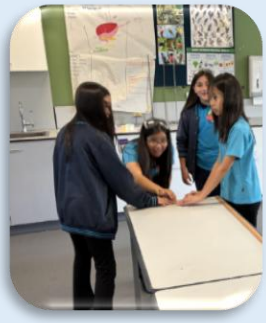
PJ Day

On Friday 20th November, we held a special PJ Day to raise funds for Movember, supporting men's mental health and wellbeing. Students were encouraged to come to school dressed in their favourite pyjamas and bring along a gold coin donation.

It was a great opportunity to have some fun while supporting an important cause and raise awareness of men's mental health.

Year 5 Keysborough College Taster Day

Our Year 5 students recently had the opportunity to attend a taster day at Keysborough College. This was a wonderful opportunity for students to experience secondary school life, explore different learning areas and begin building excitement and confidence as they look towards their transition to Year 7.



We hope everyone enjoyed the experience!

End Cycle Review

We have recently been involved in our school's End Cycle Review, providing an opportunity to reflect on our achievements, celebrate the wonderful work happening across our school and identify areas for continued growth and improvement.

It is always valuable to take the time to recognise how far we have come and consider our next steps as a school community.

Planning for 2027

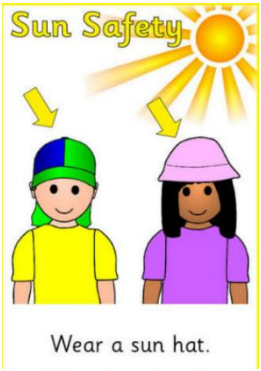
Behind the scenes, our staff are already busy preparing for 2027!

Teachers and leadership are working hard on teaching and learning programs, class structures and student placements to ensure we are ready for another successful year. There is lots happening as we plan for a positive start to the new school year!

A Reminder About Hats

As the weather warms up, we would like to remind all families that students need to bring a school sun-safe hat to school each day.

We follow our SunSmart practices and students without a hat are required to play in designated undercover areas during outdoor play. Thank you for helping us keep everyone sun safe!



Briony McDonald
Assistant Principal

Application/Enrolments open for 2027

Keysborough Primary School is accepting enrolments for Foundation students in 2027.

Foundation enrolments are open now. To ensure your child is enrolled, it is important that an enrolment form is completed as soon as possible. Please follow the below link to register and lodge the application for your child.

Home (educationapps.vic.gov.au)

If you have any queries regarding enrolment, contact us on 9798 4764.
