Future Making for Every Student

5th May 2022

From the Assistant Principal

Term 2 continues to be a positive time at Keysborough Primary School, and we are delighted to be welcoming some 'normality' back including our annual book fair and ultimate frisbee in PE for our grade 3 and 5 children.

It is timely to remember, however, to continue to stay vigilant in covid safe practices. We appreciate our families letting us know where positive cases may pop up and keeping your children at home if they are unwell. That way, we all stay safe and well and can carry on teaching and learning together.

If you have been on school grounds, you will have noticed the construction of a gazebo behind the Lyrebird building.

Following a grant in 2021, we plan to make this an outdoor learning space for all the children. It is looking fantastic and is a lovely addition to the back of the buildings near the Digi Tech room.

Our next step is to include some beautiful plantings around the structure to make it a calm and welcoming place to learn and play.

Have an excellent fortnight all, stay warm, be kind.

Carly Bourke.

COVID-19 RAPID ANTIGEN TESTS FOR STUDENTS

The Department of Education & Training and Keysborough Primary School **strongly recommend** that all students are regularly tested for COVID-19 and tested if any symptoms of COVID-19 are experienced.

Provision of RAT Kits

The Department of Education & Training will provide RAT kits for students until the end of Term 2. A box of 5 RAT's has been distributed to all students this week. Further RAT kits will be distributed by the school to each student during the remainder of the term once they have been received by the school.

When to Test

It is preferable that students are tested twice a week before school.
