Future Making for Every Student

19th Aug 2021

Dear KPS School Community,

Welcome to the newsletter.
You will have noticed that we are communicating lots of things via Class Dojo and our Sentral email, especially during Remote and Flexible learning.

I am going to reference these more in this newsletter.

Class Dojo

This week I had planned to take photos in the Art room and share with you all. Mrs Koskolos did on Friday instead.

There are great work samples in the post which is the whole school area of Class Dojo. You would have received a notification looking like the below.

Mrs. Koskolos posted on ClassDojo!

When you clicked on it you would go to here.

You can click here too now.

Our Foundation, Year 1 and 2 artists are back again with their wonderful handprint animals.

They all traced their hand in different positions and turned the tracing into an animal.

Watch to see the results.

If you scroll down, there are 2 more Art shows on this Keysborough Primary School page.

It is fantastic that we can share work created by students for all to see this way. You can always see your own children's work in their portfolio on Class Dojo.

Have you been to School Assembly?

Every Friday at 3pm the student leaders present the KPS whole school assembly via Webex. They do an outstanding job. They are our first digital assembly student leaders.

You will receive a link early each week for the coming Friday. It comes from a Noreply AT Keysboroughps.vic.edu.au

Please make sure that the KPS office have your current email addresses so we can share information with you easily. Please call 9798 4764 or email keysborough.ps@education.vic.gov.au if you have to update any email addresses.

Webex protocols (10 Expectations for virtual learning)

You may also have seen this on a number of Dojo Class stories last week. There are some good things to remember so I thought I would put it in the newsletter too.

A healthy alternative

Classroom Cuisine has created an option that:

- is easy to use and affordable
- offers variety and choice within a healthy framework
- allows busy parents to provide great lunches for their children
- takes the headache out of coming up with lunch and snack ideas
- empowers children to make their own healthy food choices

Classroom Cuisine accepts orders for current day delivery up until 8.30am that morning.

Lunch Packs cost between \$8.25 and \$10.20 for a 2 Course lunch and between \$9.95 and \$11.90 for a 3 Course lunch.

The cost of the Lunch Pack is determined by the Main Meal (Item1) choice you make.

We hope you'll be pleased with and see the value and fairness around our pricing structure

How it works

- 1 Register your child - www.classroomcuisine.com.au
- 2 Choose Menu Items to make a 2 or 3 Course Lunch
- 3 Select dates to order for
- 4 Confirm your order and payment
- 5 Relax while we do the rest

We all want to provide nutritious, well balanced, tasty food for our children's lunches, but finding the time and inspiration to shop and prepare food is not always easy.

Classroom Cuisine is an Online alternative to the traditional and disappearing 'tuck-shop', offering a convenient, user friendly service, creating, preparing, packing, and delivering high quality School Lunches at the most affordable price.
