Future Making for Every Student

14th Oct 2021

Welcome back to Term 4.

This is an exciting time for all of us. We are now transitioning our children back into school. Below is a breakdown of how this is currently going to look for your child/children.

The days indicated are the normal school day from 8.45 a.m. to 3.30 p.m.

Year Level	Date of return	Days of week
Prep	18 th October	Monday, Tuesday and Wednesdays
Years 1 and 2	21 st October	Thursday and Fridays
Years 3 and 4	26 th October	Tuesday and Wednesdays
Years 5 and 6	28 th October	Thursday and Fridays

The remaining days when your child/children are not onsite they will be in remote and flexible learning with their classroom teachers, specialists and reading tutors.

Supervision of children of essential workers will be from 8.45 a.m. – 12.00 p.m.

Teachers supervising children of essential workers will be back in remote and flexible learning with their own classes as well as planning and preparing learning for their children.

Children must be dropped off at the main gate (Coomoora Road) and picked up at the front of the school.

Friday assemblies are part of the school day and a time to share and come back together. When we are back onsite with the children our assemblies will remain online and all children whether they are onsite or remote learning must attend as part of the school day.

Mr. Williams sends out the link for our assemblies so watch for it via SENTRAL and classroom teachers provide the link on CLASS Dojo.

We are extremely busy preparing for the transition back to school for children, staff and our community.

Thank you for your patience as the directives from the Department are updated. These are constantly changing, and we will get information to you as soon as practical.

While at school we will be re-introducing our 'bubbles'. This means the children and staff will remain in a certain part of the school; for example, Foundation will be in IBIS as well as the Agora.

'Bubbles' will be located around the immediate area of your child/children's classroom. Specialist classes will manage the pathway from the classroom to their specialist area/s.

It is critical that we follow the new rules onsite. All children from Years 3 to 6 must wear masks indoors at all times. This means that your child/children will have to bring to school each day a clean mask and be responsible for looking after it during the day.

For Foundation to Year 2 children, it is recommended that they too wear a mask indoors during the day in their classrooms and specialist lessons.

Staff must also wear masks at all times with some management exemptions.

This is a lot to absorb and take in. If you have any queries, please contact the school office on **9798 4764** and our amazing office staff will assist you.

I hope that you are all well and safe and we are looking forward to getting us back to school.
