### *Future Making for Every Student*

## Welcome everyone to Week 6, KPS Newsletter

*Thankfulness is being grateful for what we have. It is an attitude of gratitude for learning, loving and being. Appreciate the little things that happen around you and within you every day. Think positively. Thankfulness brings contentment.*

**As we enter the middle of Term 4, I am very thankful to the KPS whole school community during 2021 especially as we have all returned to school.**

I am thankful for: -

- the COVID Safe behaviours of parents, carers and kin when they keep children at home if they are unwell and get them tested.
- that children are attending school and really engaging in their learning.
- the positive conversations and greetings at the front of the school in the mornings and afternoons.
- parents, carers and kin who answer our calls from school and follow up if they miss the call.
- parents, carers and kin in understanding the COVID safe measures that we have in place for everyone's wellbeing.

- our leadership team, teaching education support staff and admin team for their flexibility to best support our children's learning and wellbeing both onsite and in remote and flexible learning.
- children's happy eyes and greetings as they come into school every day.

When you have a chance to reflect there are many things to be grateful and thankful for every day.

Even when we are waiting for our children that there is sunshine and light rather than rain and darkness.

## News from EWA

This week in Engage with Asia we celebrated a festival called Diwali.

In Grade 2 we designed oil lamps with clay. Later on, we will decorate them with bright coloured paints.

In Grade 1C, we sand painted Rangoli on the concrete outside our grade 1 classrooms.

Diwali is a Hindu festival which people celebrate it in many countries around the world
