Future Making for Every Student

10th March 2022

From Carly Bourke

Term 1, week 7.

It has been a wonderful fortnight onsite at KPS. We are delighted that our parents are now able to collect their children from their classrooms after such a long time away from our grounds.

We hope everyone had the opportunity to speak with their child or children's classroom teacher in Communication week last week.

If you did not, please message them on Class Dojo or call the office to arrange a phone call.

You may have seen some special visitors on Class Dojo last week. Some wonderful people from Victoria Police came to say hello to our children while they were out at lunch.

They got to meet many children! And even got to have a full tour of the school, escorted by some of our grade 5 children-Ali, Celine, Victor, Mason, Silas, and Florida.

Have a look at the photos and see if you can spot your child introducing themselves to Josh, Hendra, and Chris!

Assembly is up and running online again so make sure you look out for the link in your email and join in via Webex to see what is happening at KPS.

Our student leaders are already showing great leadership in running our assemblies and I am sharing this newsletter with our fabulous student leader team who will introduce themselves in a short biography.

STUDENT LEADERS

Hi, my name is Helena but some that are close to me sometimes call me Lena or Helen. You may recognize me as one of your school captains this year.

Most people don't know much or anything about me. So, here's some random stuff I do in my free time which is what I call my hobbies: I like to write poems & fictional/ historical stories. (depending on how I feel or what events happened on that day)

For me, writing is a way for me to calm myself down and is also a way for me to learn how to express myself and how I'm feeling.

People may call it a diary, but I think of it more as a diary of different types of stories and events that may have actually happened in my life.

Another thing I like doing is listening to music and collecting/ finding new songs. So far, I have over 350 songs in my collection.

Hello, my name is Solina, but others know me as Lina for short. As some of you may know, I am your school captain for 2022.

Some people like my friends and family know me as an energetic person. But as a school captain now, I want to take this opportunity to show everyone I can act as a role model for everyone and be hardworking.

In my free time, I love listening to music. My favourite type is K-Pop, it relaxes me and brings me away from feeling sad or down.

Another thing I like to do in my free time is watch Netflix, especially K-Dramas. My favourite one so far has to be Strong Girl Do Bong Soon.

I'm glad to have a role as school captain, I get to finally step away from being a shy person to be a role model for everyone.

Hello, as you may know I am David, the school vice-captain and the green house vice captain.

I really like food just like any person would, just not curry snags for many reasons. I applied to see what it's like to be a leader.

Hi, my name is Mahad Barkhad and I am your school vice captain. I am proud to be a vice captain.

I like cars, armoured vehicles and I also like to read books. I want to improve my writing skills.

Hello, my name is Andrea, and I am one of your school environment leaders.

My favourite food is fried chicken, and my favourite colour is pink. In my spare time, I like to read manga.

If you don't know what Manga is, it's basically just anime (a show) but in the book. I'm slowly achieving my goals which are getting better at maths and making my notes neater.

Hi, my name is Rayyan, and I am one of your environment leaders.

The reason I wanted this role is because I see others cleaning everywhere, so it inspires me to take care of our school and make it a better place for our education.

My name is Amy, and I'm your Digitech leader. I am 11 years old. I'm from class 6S. I am also an older sibling to 2 siblings. My brother in class 5R, and my sister who is turning 2 years old in September.

What I love about leadership is that all the leaders get together and work on assembly whilst communicating and assisting.

Everyone is incredibly creative and has many ideas which I admire a lot. I especially love talking to others as they tell me their opinions and ideas.

Hi, my name is Ahmed. I just wanted to introduce myself as I'm a Student Wellbeing Leader for 2022.

Some things that I like doing are playing sports and video games. I really like AFL and playing Roblox and Minecraft which keeps me entertained.

I'll take this opportunity to be a proper leader in Year 6, and to help this school become better, safer, and happier for everyone.

Hi, I'm Kenny, I'm your wellbeing leader. I would like to tell you about myself.

My favourite food is noodles and also traditional Asian food and also any fast-food restaurant (and others too!). I like maths and I also like exercising. I like to play games like - Minecraft, or Roblox. I also like to play this game called Valorant, and some other games.

Although my parents were born in Vietnam, I was born and raised in Victoria, Australia. I'm 12 years old. That's all I can tell you about myself! Goodbye!

Hi, my name is Ethan and I'm your wellbeing leader and I would like to tell you about myself. I like to play games like Minecraft and Call of Duty.

My favourite sport is basketball. Even though I play softball more often, I usually play handball or 6 square on the Agora you might see play there.

My favourite food is rice with anything, but my other favourite food is pizza. I'm from Vietnam and my English is pretty good. Vietnam is a southern east Asian country next to China, Laos, and Thailand if you didn't know that.

My favourite subject currently is maths because I studied it at a young age. That's all you need to know about me. Thank you!

Hello, my name is Roselyn, I'm a blue house captain for 2022. I applied because I want to be a role model to other students and teach them to be the best they can, I also applied because not many people applied for blue house captain.

My favourite thing to do is hangout with Susie in 6T. My favourite food is Mi goreng with a runny egg which means fried noodles. This year I want to achieve my team winning in rugby tag in the winter school sport finals.

Hi, my name is Olivia. Y,
Some of you may know me but some of you won't. I am a blue house Vice captain.

And when I am at home with my family, I usually play games in my free time. Games like ROBLOX and Minecraft.
But I also have to look after my baby sister.

Two of my favourite things to do at school are reading and writing.

Hi, my name is Dulana and you might know me as a Red house captain. I just wanted to introduce myself. I love my role as a red house captain.

I chose it because I wanted to be respectful and learn to lead our team. I like doing PE and art.
I hope red house wins the shield!!! Go Red House!!

Hi, my name is Harry, and I am your red house vice-captain for this year! I am going to introduce myself to you guys.
I really like playing 2-square with my friends.

My goals for this year are...
Helping others during snack and lunch time, my second goal is to make new friends and my last goal is to also to get a buddy.
That's all thanks for reading my bio!

Hi, I'm Matthew and I'm your Yellow house captain. I like to play video games, go to school and I like to talk to my friends online and offline.

My favourite sports are volleyball, basketball, soccer and something called 2 square on more, better known as handball.

I'm a nice individual it is pretty easy to approach me if you have any problems. I will try my best to help you with the problem. And I LOVE!!!! Food.

Angie/ Angelina C.:

Hello, I'm a yellow house vice captain, my name is Angelina but call me Angie for short.

I'm really playful, helpful and silly. I can be a hard worker especially when I want something.

I enjoy helping the other house captains with their speeches, but I just enjoy writing in general. As well as art or just drawing. I'm glad I got the role, so I'm going to do my best.

Hello, I am Sky and I am a Green house captain and I am also a Digi-tech leader.

I like to play 2 square which is like cheap tennis but easier, there is no net, and your tennis racquet is your hand.

You can sometimes spot me playing 2 square or you can sometimes spot me playing basketball at lunch. At home I like to read Harry Potter and play video games like Minecraft education.

Have a sensational fortnight, and welcome student leaders!

***Warm regards,
Carly Bourke.***
