## Term 2, week 8.

Hello, Keysborough Primary school community!

We hope you are staying well as the weather dramatically cools.

We are coming to the end of another fabulous term full of learning and discovery.

As a leadership team, we have used as many opportunities as we could to visit classrooms and chat with our children about their learning and curiosities.

Walking from space to space, it is clear that the children are engaged and happy and the scope of project investigations is extraordinary.

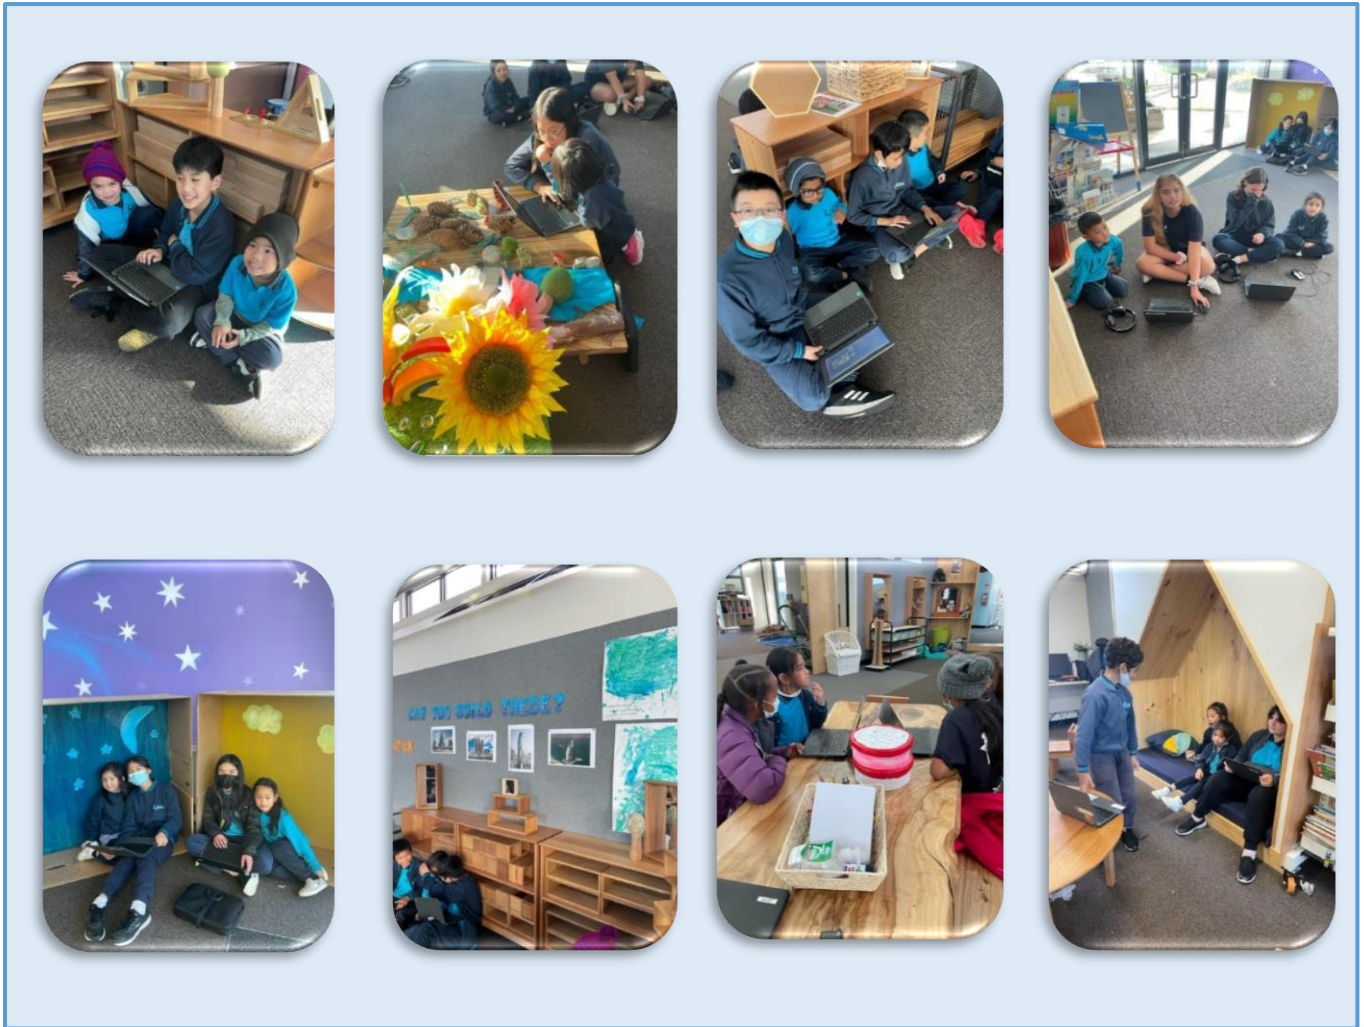

Our classroom teachers are looking forward to sharing your child's learning journey so far through their academic reports at the end of the term.

Please take the term break to relax, restore and spend time together.

I am sharing some lovely photos of your Year 3 and 4 children who have been exploring cities across the world and famous landmarks.

As well as our Grade 6 and Foundation buddies who had a learning session together sharing their favourite books.

**Have a super fortnight, everyone!**  
**Carly Bourke.**
