'Keysborough Primary School acknowledges that we are on the traditional land of the Bunurong people and pays respect to elders past and present.'

Be Respectful Be Safe Be a Learner

Welcome to our third newsletter for the year and my first at Keysborough Primary School. It has been such a warm and welcoming start, and I have genuinely enjoyed getting to know our wonderful school community over the past few weeks.

Thank you to everyone who has introduced themselves, shared kind words and made me feel so welcome. Please don't hesitate to come and say hello if you see me around the school.

I have already been so impressed by the professionalism and dedication of our staff, along with the positive attitude and enthusiasm of our students. There is a strong sense of community at Keysborough Primary School, and it is clear that students are supported to learn, grow and thrive every day.

Over the past fortnight, students have enjoyed a number of exciting learning opportunities and experiences across the school. Our 5/6 students welcomed members of Victoria Police who supported students with strategies to be safe online.

This week we also welcomed the dental van to the school, supporting families with accessible dental check-ups and promoting the importance of healthy habits and wellbeing.

Another wonderful whole-school event was National Simultaneous Storytime on Wednesday. This is an Australia-wide event that celebrates reading and storytelling. Students joined thousands of children across the country in reading *Luna Roo: The Kangaroo Baller* at the same time, helping to foster a love of literacy and shared learning experiences.

It was fantastic to see students across the school coming together to share in the joy of reading and storytelling. Events like these help foster a love of literacy and build a strong reading culture within our school community.

Thank you again for the warm welcome to Keysborough Primary School. I look forward to continuing to work alongside our students, staff and families throughout the year ahead.

CHILD SAFETY AND WELLBEING –

INFORMATION FOR FAMILIES AND THE SCHOOL COMMUNITY

Keysborough Primary School is committed to providing an environment where students are safe and feel safe. Our child safety framework [KPS Child Safety Policies and Procedures](#) explains how we support and maintain child safety and wellbeing at Keysborough Primary School. It includes our:

- Child Safety and Wellbeing Policy
- Child abuse (including grooming) – identification and response, and
- Child Safety Code of Conduct, which outlines acceptable and unacceptable behaviours for all staff and volunteers at our school.

Our students and families are important partners in providing a child safe environment. These regular newsletter reminders are one of the ways we ensure our school community is aware of:

- our commitment to child safety, and
- how to provide feedback or raise child safety concerns.

If you have any concerns about child safety at any time, please contact Natalie Jones-Pinkett, Principal on 9798 4764. Any child safety complaints or concerns are treated seriously.

MULTICULTURAL DIVERSITY AND INCLUSION

Dear Parents and Carers,

At Keysborough Primary School we value the diversity of culture, ethnicity, and faith of all our students. We are proud of our diversity, and everyone is welcome at our school.

Celebrating the diversity of our community makes us stronger, kinder and more innovative. We are committed to making sure that students from all backgrounds feel accepted, supported and able to learn.

We teach all students according to our school values and teach the respectful relationships framework. This includes education around diversity and inclusion.

To achieve our values and aims, everyone at Keysborough Primary School plays an important role. This week, we have reminded students of our values of Be Respectful, Be Safe, Be a Learner and the importance of using these in everything we do.

To help us make Keysborough Primary School a place where everyone feels welcome, respected and supported, we encourage you to also speak to your child about these values, as well as the importance of:

- understanding that we celebrate diversity and multicultural inclusion
- understanding the importance of everyone at school being treated with respect.

For more information, please see [Racism: talking with children and teens, Raising Children Network](#).

We expect families to also display our school values when dealing with other members of our school community.

Regards,
Natalie Jones-Pinkett
Principal
