Future Making for Every Student

29th October 2026

'Keysborough Primary School acknowledges that we are on the traditional land of the Bunurong people and pays respect to elders past and present.'

Be Respectful Be Safe Be a Learner

Hello KPS community,

Welcome to our second newsletter of the term.

Celebration of Song

Our school choir recently had the wonderful opportunity to perform at the Celebration of Song at Lyndale Secondary College. Accompanied by Mr Pinkett and Mr Maclean, our talented students proudly represented our school and shared their love of music with the wider community.

We are so proud of our choir members for their enthusiasm, confidence and commitment. A big thank you to Mr Pinkett and Mr Maclean for supporting our students and helping make this musical experience possible!

Year 1 Excursion to SEA LIFE

Our Year 1 students enjoyed an exciting excursion to SEA LIFE Melbourne Aquarium! The visit provided a wonderful opportunity for students to discover fascinating marine creatures, learn about ocean habitats and make connections to their classroom learning.

It was a fantastic experience for our young learners, filled with curiosity, discovery and plenty of excitement!

Parent Community Group

Our Parent Community Group recently met to discuss preparations for our upcoming school events. We are incredibly grateful to our families who generously volunteer their time and contribute to making our school community such a welcoming and engaging place.

If you are interested in getting involved, Mrs Koskolos would love to hear from you!

Second-Hand Uniform Shop

Our second-hand uniform shop will be opening again Tuesday 8th December! Keep an eye out for the announcement if you are looking to purchase some pre-loved school uniform items. It is a great way to save money while supporting sustainable practices within our school community.

If you have any KPS uniform items to donate, please bring them into the office.

School Review – Week 4

In Week 4, our school will be undertaking our important School Review, which occurs every four years. This is a wonderful opportunity to celebrate the many positive things happening at our school and reflect on the progress we have made in supporting our students' learning, wellbeing and engagement.

We will be working alongside Amadeo Ferra (our SEIL - Senior Education Improvement Leader), Andrea Shields (School Council President) and other Department of Education representatives to showcase the fantastic work of our students and staff, celebrate our achievements and identify opportunities for continued growth.

We look forward to sharing the great things happening at Keysborough Primary School!

SWPBS Colouring Competition

Get your colouring pencils ready! Our school is holding an SWPBS Colouring Competition to celebrate our School-Wide Positive Behaviour Support (SWPBS) values and expectations.

There are some fantastic prizes up for grabs, including a family ticket to the Dandenong Show, vouchers for Springvale Indoor Sports and bowling vouchers from General Public. Prizes will be awarded across different year levels, giving students of all ages the chance to participate.

Competition entries will be available in classrooms and at the school office. We encourage all students to get creative, participate and show us what our school values mean to them. We can't wait to see all the colourful entries!
