2026 PARENT PAYMENT CONTRIBUTION – YEAR 6

28 October 2025

RE:

Dear Parents & Carers,

Keysborough Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school, your support will allow us to re-equip classrooms with new and engaging learning resources that directly support students' academic growth. We will be able to expand learning experiences across classrooms and specialist programs, including the introduction of new reading texts and greater access to digital technologies such as VR (Virtual Reality) tools in 2026.

Attached are the following documents for your reference:

- 2026 Parent Payment Schedule for your child's year level
- List of Payment Methods
